Professional Experiences

Full Stack Developer - Alteca –
Toulouse, France | April 2024 – September 2024

- Developed AltecaEvent, an internal **web application**, in a 3-member team under a technical project manager. Features include event creation/management, surveys, and user role administration.
- Focused on frontend (70%, **Angular**) and backend (30%, **FastAPI with Python**).
- Used Trello for **Agile management**, Postman for **API testing**, **Git** for version control, and **Figma** for UI/UX prototyping.
- Achieved 95% project completion, pending integration with internal systems.
- **Key Learnings:** Gained hands-on experience in building software projects from scratch, with a strong focus on technical development, project management, user experience design, and requirements gathering.

Project Management - Andros Chine –
Beijing, China | May 2023 – August 2023

- Conducted detailed sales data analysis using **Power BI**, designing interactive dashboards to provide executives with clear visualizations and strategic insights for informed **decision-making**.
- Conducted market research and competitive analysis, supporting strategic planning and new product development to boost competitiveness and innovation.

HRBP Intern - ByteDance - Beijing, China 09/2020 - 11/2020

HR Intern - Ernst & Young - Talent Team - Beijing, China 06/2020 - 08/2020

HR Intern - Baidu - Beijing, China 02/2020 - 05/2020

Extracurricular Activities

European Solidarity Corps — Timiș County Youth Foundation — Volunteer — Timișoara, Romania | August 2022

- Organized and promoted educational, artistic, cultural, and sports activities for the youth in Timișoara. Created activity calendars, designed promotional materials, and managed event preparations. Actively facilitated events, collaborating with young people from diverse countries and cultures, while learning community-building methods.

Capital University of Economics and Business — Wanguo Language Society — Vice President — Beijing, China | September 2018 – July 2019

- Led a club with over 100 members, organized internal events, and cooperated with external organizations. Coordinated partnerships with foreign language societies in Beijing universities, cultural centers of embassies, and small language teaching institutions. Successfully built collaborations with New Oriental, Weiming Tian Japanese Academy, Russian Embassy in China, and Beijing Second Foreign Language University.

Self-Assessment & Hobbies

- As a travel enthusiast, I've traveled solo to various countries, which has enhanced my adaptability and problem-solving skills while broadening my perspective and understanding of global diversity. I'm also passionate about sports and photography, capturing beautiful moments in life.
- Outgoing and enthusiastic, I excel at communication and have strong interpersonal skills. In team collaboration, I effectively coordinate and drive project progress, ensuring successful outcomes.
